Generate Ideas

Copilot can help you generate ideas for your projects, presentations, and other tasks by providing suggestions and brainstorming with you.

Try

Try this prompt: *"Can you help me come up with ideas for a presentation on my new project about "X"?"*

Improve Your Writing

Copilot can help you improve your writing by suggesting edits, rephrasing sentences, and providing feedback on your text.

Try

Try this prompt: *"Can you help me rephrase this sentence to make it more concise?"*

Testing AI Image and Art Creation with Prompts.

With Copilot, you can let your creativity flow freely and easily by creating AI visuals that match your imagination.

Try

"Create an image" followed by a description of the image you wish to create. For example "Create an image of a shark jumping out of a coffee mug"

Learn New Things Quickly

Chat can be your personal teacher! Instead of sifting through articles to find the best source, ask questions tailored to your needs and interests to get consolidated key points from the internet for you. Make sure to validate those references.

Try

Try this prompt: *"Create a table comparing the specifications of the M2 Macbook air and Dell XPS 15"*

Summarize an Article or Paragraphs

Turn long articles into a bullet list, short paragraph or single sentence summary.

Try

Try this prompt: *"Recap the findings of the article I've copied below and include the top 3 concerns. Provide the answer in two to three paragraphs and use a business tone."*
